Work Experience

NoteGen (Founder & Developer)

February 2024 - Present

- Built a cross-platform app using Flutter for AI-powered audio transcription and note generation.
- Integrated Vosk (for short audio) and Groq Whisper API (for longer audio) for real-time transcription.
- Used Supabase for auth, storage, and Edge Functions with Groq's gemma2-9b-it for AI-generated notes.
- Implemented Google login and seamless backend integration for a smooth user experience.

TaskEx (Remote – Australia)

July 2022 – July 2023 | Flutter Developer

- Built a high-performance logistics app with real-time tracking and route planning.
- Integrated Stripe for secure payments and real-time messaging for driver-customer support.
- Designed a calendar UI (Google Calendar-style) for scheduling.
- Delivered a cross-platform solution with real-time data sync for job updates.

Yasita Creations (Gurugram)

January 2021 - June 2022 | Flutter Developer

- Transformed paper-based business into a mobile app using Flutter.
- Used Firebase, then migrated to Supabase for real-time backend.
- Increased efficiency by 40% and cut paper usage.
- Built inventory system, task automation, and product repository.
- Gained real-world experience in business ops and app design.

BEYOND FLUTTER

Full-Stack Expertise:
- Experienced in frontend and backend with Flutter and Node.js + Express for seamless app architecture.

Tech Adaptability:
- Quick to learn and apply new tools, consistently improving project quality.

Project Leadership:
- Led end-to-end development, ensuring timely delivery and smooth team collaboration.

Tech Stack

Frontend:

Flutter, Dart, HTML, CSS, JavaScript, Figma (UI/UX Design)

Backend:

Node.js, Express.js, Supabase, Firebase, REST APIs

Real-time:

WebSockets, Supabase Realtime, Firebase Realtime Database

Database:

PostgreSQL, Firestore, SQLite, Mongoose, AWS, Google Cloud

Tools & DevOps:

Git, GitHub, Postman, VS Code, Supabase Edge Functions, Android Studio

Other:

Python (Web Scraping, Automation), AI Integration (Groq APIs, Whisper, Vosk)

SOFT SKILLS:

- Leadership
- Communication
- Adaptability
- Conflict Resolution
- Making Others Laugh

HOBBIES

- Running
- Personal Projects
- Reading About Tech
- Open Source Contribution
